

IMMEDIATE PRESS RELEASE

FROM THE TOWN OF FARMERSVILLE
REGARDING: SURVEY REGARDING THE PROPOSED WIND PROJECT
AND WIND ENERGY FACILITIES LAW

As of January 3, 2019, the Town of Farmersville has received a total of 375 responses to the survey sent out to the Town's property owners. The results are detailed below:

Date	Opposed	Not opposed	Undecided
12/17/18	46	38	7
12/18/18	41	27	5
12/19/18	0	9	3
12/20/18	22	13	4
12/21/18	28	16	5
12/24/18	38	23	7
12/28/18	2	1	0
1/2/18	16	12	9
1/3/18	2	0	1
TOTALS	195	139	41

The Town has tallied the first question, "Are you opposed to the proposed Alle-Catt Wind Project," for the record. The second question, "Concerning proposed local law entitled: 'Wind Energy Facility Law of the Town of Farmersville, NY,'" we were unable to tally exact numbers as the answers were not yes or no in most cases. The Town is aware people may have found the second question confusing, however, the varied responses with additional insight have helped to provide a very clear delineation of people's thoughts in regard to the proposed Law. The Town would like to express their appreciation to everyone who participated in the survey as this helps solidify our position moving forward.

A copy of the proposed local law is available for review at the Town Clerk's Office during regular office hours and also on the Town's website at <http://farmersvilleny.org/html/notices.html>.

Thank you, the Town Board of the Town of Farmersville
