There was a discussion on wind law with Mr. Britton concerning the meaning of some definitions, the clarifications of some of the wording. Mr. Duncan had some questions that residents had brought to him and wanted some clarification on those questions by Mr. Britton.

At this time Mr. Karcher turned the meeting over to Deputy Richard Zink and excused himself, and Mr. DiMatteo handed out copies of the road use agreement that the Town of Freedom had used. The board went over that agreement with input from Mr. Britton and Mr. Tingue.

Mr. Karcher returned to meeting and a motion was made by Mr. Duncan to adjourn at 8:29pm and seconded by Mr. Zink, carried.
